The formal uniform and t-shirts are required for performance; the sweatshirt is optional and can be used in place of the t-shirt when we perform outdoors in the cold. Do the best you can with size for the formal uniform, error on the side of bigger if you are not sure. We order extra sizes and will do our best to make sure everyone gets the right fit. You can find examples of the uniform on our web site.

Returning students do not need to purchase items again. Everything is the same as last year
